BULK RATIO

SCHOOLGIRL PORKER

You ever heard that phrase "life imitates art"? Well, here's a good example. I'm going through my newest issue of Plumpers and what do I see—this gorgeous blonde fatty named Kitty in a schoolgirl uniform! The strange thing is that only a few days before, my 23-year-old wife, Clara—a 200 lb. porker in her own right—put on a similar show for me! Clara has been concerned about her weight ever since she started to pack it on after our marriage, despite my reassurance that I preferred her heavy. In fact, one of the things I found attractive about Clara, besides her long, black hair, smoky brown eyes, and dazzling smile, was her chubby figure. Clara has tried every fad diet on the market. She'd follow one for awhile, convince herself she'd lost a few pounds, then switch to another. One evening she was going on about how wonderful her latest diet was and how she had lost so much weight that she could probably fit into her old school uniform again. I dared her to put it on, and twenty minutes later she came prancing out looking hotter than hell! Her bountiful, braless breasts strained the white, short-sleeved blouse to the breaking point, while her bulging belly and enormous ass bunched the tiny black skirt up around her wide hips, completely exposing her plush thighs and thick ankles. I immediately popped a boner. Seeing my arousal, Clara began acting like a precocious, high school senior. She jiggled around the living room, slowly unbuttoned her blouse to release her mammoth, pink-nippled udders, and kept bending over so that I could check out her naked buttocks. By the time she knelt down in front of me I had released my cock and was stroking off at top speed. Clara gave me one of her excellent blowjobs, intermixing cute, teenage girl phases to increase my stimu-

lation, but before I could shoot down her throat, my naughty heifer scampered into the bedroom. Stripping to the buff, I ran after her, tossed her onto the bed, and dove face-first between her pudgy legs. Clara loves having her cunt eaten. She whooped and moaned and frantically ground her beefy loins on my stabbing tongue until I was drowning in her juices. Even though I knew I could easily trip

her switch, I desperately wanted to fuck her in that uniform so I flipped her over, wadded that flimsy skirt up above her blubbery hindquarters, and shoved my dick into her pulpy twat, making her explode instantly. What really shocked me was when Clara twisted upright, captured my throbbing shaft between her gigantic gazon-gas, and begged me to shoot my load, which I eagerly did, soaking the thin cotton of her blouse with my spunk.

We definitely made a mess of that uniform, but I insisted that she have it cleaned the very next day, because I want her to be my filthy little schoolgirl every night!

DICKING DAHLIA

Yo! You guys did a great job on your last issue! I was pleased to see Dahlia's photos. I'm a 24-year-old black man and even though I enjoy all types of eye candy, fat black chicks are my favorite. I just have one question: was that guy talking about humping Dahlia white? Now hold on; I'm not being prejudiced or anything! I have some white friends who can really put the blocks to a heavy babe. I'm simply saying that in my opinion black hefties will always get the greatest satisfaction from a brother. Here's what I'm talking about.

If I put the moves on Dahlia there'd be no bullshitting. I can tell that she's the sort of foxy sweetheart who wants to get right down to business. You know what I mean? I'd take her straight into the bedroom and start french kissing her passionately while I run my hands all over

that gorgeous, bulky body of hers, then I'd strip her naked, lay her out, and lick her from top to bottom. I'm talking everywhere, man—her big boobies, her round belly, her pliant, chocolate thighs—then I'd put her on her hands and knees and eat her asshole and pussy until she came on my face. And I'm not even out of my clothes yet! I know once she gets a gander at my twelve-inch, ebony ramrod she'll want a taste, so I'll set her on her knees and cram that dark monster down her throat. I have to warn you, she'll probably gag; most of my honeys do. It's nothing to be ashamed of. I'm too big of a man for most women to handle first off. Not that that would slow me down. Hell, no! I'll keep on fucking Dahlia's gullet like she's the only piece of ass in the entire world, and when I dump my spunk she'll swallow every drop. 'Course, this shit's just a warm-up for the real stuff. See, I don't go soft after one cum. No way! I'll lift Dahlia's up onto the bed and take her doggy style, but this won't be no usual doggy banging. Uh-uh! I plan to switch it around some, meaning that I'll nail both of her holes, back and forth, one to the other. My ladies always pop super fast on this trick. They tell me there's something about having a foot-long licorice stick invading their cunt and rectum at different times that drives them crazy. Could be it's the suspense thing, you know? Whatever it is I'll make sure that she has a couple of good cums before I launch my baby gravy all over her gigantic assmounds. Normally I prefer spritzing on a chick's face, but Dahlia has such a huge, squeezable booty that it deserves to be covered in my milky man sauce.

So give Dahlia the word, okay? I guarantee she ain't ever had a stud of my caliber!

JAELA JERK OFF

Could you please make sure that Jaela gets this letter? It's extremely important. Jaela! I'm hoping you can help me out. After seeing your photos and reading your story, I believe that you have some very unique gifts that I could use to my advantage, namely: you enjoy masturbating and I'm a voyeur! No! That sounds crude! There's actually more to tell. I'm a 62-year-old man who has been happily married to the same wonderful woman for more than four decades. Unfortunately, I still have a strong sex drive and my wife's health has declined to the point where she can no longer satisfy my needs. Let me make it clear that I do not cheat on her! Instead, I sometimes hire prostitutes to put on private shows for me while I masturbate, with no mutual touching involved. Some might consider this being unfaithful, but I don't. The only problem is that I have a penchant for large women and many of these young ladies are quite thin. Here's my proposition, Jaela: if you would take pity on a horny old man, I'd like to meet you for an evening of pleasure. I won't lay a finger on you, I promise. I couldn't anyway; it would be against my principles. All I'd ask you to do is strip and touch yourself. You could wear any kind of lingerie you prefer. Perhaps you could sashay around in

front of me for a start and show me your big, round tits and mouth-watering fanny, maybe pinch your stiff, pink nipples, and rub yourself all over. Eventually, however, I'd want you to lay back and finger your puffy nude pussy like you did in the pictures. I'd love to see your hand moving between those moist, blubbery netherlips of yours. I'd want you to stare directly at me the entire time, of course, and make comments about how much you need me to fuck you. Next, you would get on all fours and shove a vibrator up your droopy snatch so that I can observe your majestic assounds shimmy and shake as you poke yourself to a thundering climax. I'm betting that you're enough of an exhibitionist that you'll really explode knowing that I'm behind you flogging my weapon. If you wish, I'll grant you one intimate moment; I'll ejaculate on any part of your body you choose. I have a fairly good-sized penis, Jaela, and I can produce excessive amounts of semen. Personally, I'd prefer your tits. You mash those puppies together and I'll fire my seed into your deep, fleshy cleavage. That would be all there is to it. I won't discuss money in this letter; it's too embarrassing. In fact, the subject doesn't even have to come up at all if you are opposed to that sort of offer. Please contact me, Jaela! My lust for you is overwhelming!

BRANDY FEEDS MY FETISH

I wanted to let you guys know how much I got off on Brandy's pictorial in your last issue. Heavy chicks that dress up in corsets and "gladiator" shoes are a fetish of mine for a very special reason. It happened ten years ago when I was eighteen and Millie, a college senior and daughter of my mother's best friend, moved into the spare room of our house. In those days I was a shy, geeky kid who didn't date much, so subsequently, I was still a virgin at the time. My hormones continued to rage on, however, and the minute I saw Millie, I popped a wicked boner. Millie weighed around 175, had long, blonde hair, beautiful blue eyes, and was ultra hot! One afternoon, while my parents were out, I walked by Millie's room,

noticed her door was ajar, and decided to take a peek. I couldn't believe what I saw. There was Millie clad in a black corset that made her huge. Wobbly boobs look ten times larger and cinched her flabby waist into tiny bundles, sensuously stepping into a pair of yellow platform shoes that laced up around her bulging calves. I almost shot off in my jeans! Whipping my pecker out, I watched Millie strut around in this strange, seductive ensemble for several minutes until she suddenly called me inside.

"You can do more than just look, Jimmy," she cooed, ogling my rigid manhood jutting from my open fly.

I shuffled through the door unsure as to what my next move should be. Sensing my insecurity, Millie smiled, unzipped the corset a bit and lifted her enormous hooters out so that I could fondle them, then dropped to her knees and sucked me off. That was my very first blowjob and I'll remember it for the rest of my life. Millie swallowed my entire length, dragged her lips back and forth in a steady bobbing motion, and didn't seem to mind when I accidentally shot my spunk down her throat. Once she had drained my balls, she removed her black bikini panties and lay on the bed with her plush legs wide open. She told me to eat her pussy before I fucked her. Since my cock was still limp, I wasn't positive I could perform, but licking her plump, soupy twat made me horny again! The instant she started juicing on my stabbing tongue, I rose up to show her my new erection.

The next thing I knew I was flat on my back and Millie was feverishly bouncing her abundant, heart-shaped ass on my stiff pole. I don't honestly remember much except the silky texture of that corset under my groping fingers and the pressure of her platforms digging into my bucking flanks when I ejaculated seconds after Millie screamed out her own orgasm.

Brandy isn't anything like Millie, that's true, but she sure is close. Whenever I masturbate to her photos I'll recall the day I lost my virginity.

MAE

Having my photos taken for Plumpers was awesome, but being asked to jump from amateur to pro immediately was super exciting! My amateur photo shoot just ended when the guys from Plumpers told me I was gonna be their cover-girl! I was so happy and horny that I couldn't contain myself! I was so turned on I got in my car and diddled myself to several ear shattering orgasms! Then I came back inside and shot these raunchy photos with all of you dirty guys in mind.

All during this shoot I was daydreaming about sucking your fat cock. In fact I love a dick in my mouth so much, there is nothing better than going home with my fuck buddy and passing out with his fat cock down my throat. Waking up with a thick cock in my face, right next to my mouth, is the BEST way to start the day! I immediately flick my tongue all over the head then take his tip into my wet warm mouth.

There have been times I fell asleep midway through my morning suck-off session. Nothing personal to the guy, but the feeling of a cock pumping slowly in and out of my mouth is so soothing I can't help but drift off. Most times my guy will get a quick nut off down my throat before we both nod off.

Sometimes that's not enough for either of us and my fuck buddy will want to fuck me after pumping my mouth full of cream. It's amazing how the body responds to certain stimuli. We can go from exhausted sexual bliss to hard charging fucking for hours on end energy in a matter of seconds.

Getting banged in the early hours of the morning is the best! There is just something about spreading my thighs wide open as my guy licks my pussy as the dawn breaks. All inhibitions get tossed aside as he worms his tongue deeper into my pussy folds. Grasping the back of his head I push his face against my bucking hips and sopping wet cunt. Loud screams and moans erupt from my lungs as my pussy contracts and spasms in orgasmic wonder. Getting on top of me my guy will work over my pussy like a human jack-hammer, pounding me into the mattress.

Scraping my nails across his back as my legs wrap around him in surrender to pleasure, sends me over the edge once again. So vote for me in the Plumpers contest I'd love to show off even more for the camera!

boyfriend. Why have your own when you can just borrow your girlfriend's boy toy? The girls on my floor don't know it but I have fucked each of their guy's multiple times. Trust me, these guys can keep a secret, especially when that secret is suck-

Being chubby has been a blessing. So many guys are too shy to talk to me because they think I'm stuck up or something. To most guys (and gals) I am merely a nice girl who smiles a lot and is always happy. Little do they know what brings this smile to my face. I'll let you in on my secret; I'm a filthy slut always thinking about fucking!

It's a weird situation for me to be in, I want as many guys as possible to tell everyone how good I am at sucking dick. Through high school I always felt like I was missing out on everything just because of my size. Fuck that! Once I hit college I made a point to own who I am and to fuck whomever I wanted to! What a lot of guys don't know is that us big gals get super horny and these love furnaces don't cool off too soon.

It's too embarrassing to admit but I've never had my own

ing their cocks and letting them spray my massive jugs with their spunk.

The first couple of times it happened the guys would try to treat me poorly but I knew I had the upper hand. With one word I could destroy their little fun, so I made a game of it. Once they walked out the door of their regular fuck buddy they'd have to come see me for some overtime extra-innings game play. Not too long ago two guys showed up at the same time, DAMN that was a good night!

It gets dicey some times, like when the guy realizes the petite hole he's banging ain't nearly as gratifying as me. Whenever the guy starts knocking around my door too often I end the game and throw him back to his skinny little wench. If I wanted a constant monogamous relationship I'd get married. Until then, NEXT! ★

I love getting naked. My best time was with a friend of mine in a hotel's hot tub. Having fucked all afternoon both of us were ready for a relaxing soak and some hot underwater bubbling groping. All those high-pressure jets and the foaming bubbles got me horny all over and I slipped my hand into my guy's shorts.

With a devilish smile I gave his cock a squeeze. Tiny moans escaped his lips, as his cock got harder in my grip. Wriggling out of his shorts was no problem for him and within a second he was naked. Pulling me closer he managed to pick me up and position me over his naked lap. With both hands on my hips he sat me down on his throbbing dick. I lowered my legs down but he held me up, only allowing an inch or two to penetrate my pussy. What a tease.

Gasping for air I spread my legs open and tried to push my cunt down his rod. The struggle continued as I kept on trying to get more of his prick inside of me and he kept my lust at bay. He was clearly enjoying the resistance, and I must admit I was really turned on. His kisses went from gentle nibbles to deep suction as I bucked my hips back and forth on his dick, taking more of him inside. With one hard thrust I sank my pussy the full way down his manhood and I screamed "Make me cum! Oh God! YES!" He was only too happy to oblige and he drove me to the brink of an orgasm I had only dreamed about. Leaning halfway out of the hot tub I

bent over and was fucked like an animal from behind. Slapping hips created mini-waves that nearly emptied the small pool as he banged me from behind. My eyes rolled back in my head and I erupted in a titanic orgasm. My whole body twitching and shaking I leaned back and ground my box against his full length and gripped his cock with my pussy muscles, milking it slowly. He cupped my big tits in his hands and mashed my soft body down on to his lap. After some slow hard grinding he emptied his cum into my pussy. By the time we were finished the entire hotel knew what we were up to. We got kicked out of there shortly after, something about "being a public spectacle." Believe me, it was worth it. ★

Booty Call... Protocol Some sound advice on Wowwing her in and out of Bed

Hey PBW lovers.

When it comes to sex, I admit that some women like surprises more than others. The vast majority of women I know don't just take the ultimate "O" for granted and when they find a style that works, good luck getting them to stray too far off the mark. Granted, the untested and unpredictable can keep sex exciting and I'm all for that. But then again, if I know that doing it my way will result in a rafter-raising climax and shaking it up will leave me longing for my vibrator, I'm much less inclined to feel experimental. That having been said, it isn't only during sex that women have certain expectations. Our dating rituals and social and sexual interaction are changing so quickly that it's difficult to keep up. Men are now faced with not only keeping abreast of how to please a woman between the sheets, but how to behave and what to do before and after. Trust that it's not as complicated as it may seem sometimes. Some surprises will always be welcome. There are still a few "givens" in the male/female dating game that can help keep you out of trouble and keep your bed-worthy reputation in tact.

Make it ALL about her:

All too often when men are generous and giving with the foreplay, oral sex in particular, we always feel in the back of our minds that you are doing it so we will be inclined to reciprocate. While that may not be true in all instances, it's been the case often enough that your generosity has become suspect. While I can't do anything to change conventional thinking, I can tell you ways to shake things up make your partner feel special. Author and columnist Pam Spurr, PhD (Making Love all Night and Talk in the Morning) says to try it this way. If you

21722

21721

give pleasure spontaneously and out of the blue is sends the message that you find her irresistible." During the regular course of foreplay and you begin kissing her neck and fondling her breasts and winding your way down, she if pretty much going to be able to deduce what is likely to come next. Instead, shock her panties off, literally! When she least expects it, give her pleasure. Not as a normal progression of sexual intercourse but just for the sake of giving her no-strings-attached pleasure. Wake her up with same amazing oral sex, a sheet grabbing orgasm and a glass of OJ." All I can say to that is: toss away the alarm clock! A man that would pull this maneuver would get five stars!!!

Kisses and more kisses

Women love to kiss. We love the intimacy of it. We love the connection, the taste, and the feel of a great kiss. I can't impress on you guys the

importance of learning to be a great kisser and then being generous with the lip-lock. I've said it at least a dozen times, but for new readers or those stubborn few that refuse to believe, I'll say it again. A woman determines whether or not to have sex with you based upon how she felt when you kissed her...period! Can it be any more direct than that? When you kiss a woman and she feels the right stuff, her hormones create a submissive state of mind that leave her open and receptive to seduction. If she doesn't like the kiss, you won't be getting any action...period. Blow the kiss and it's over. Too often you guys only give begrudgingly of the kissing time and focus immediately on your sensations below the belt. You get so consumed by what's going down south that you stop with the kissing altogether. You have to make a point of maintaining that kissing connection throughout sex. Nothing stimulates a woman's arousal more than her knowing that you are mentally present and totally into her. Kissing is a major component of that emotional connection. While you are into heavy foreplay, take time to kiss and engage in simply making out. Not only will it help you pace yourself and slow things down, it will also pleasantly surprise your partner when you have added that sweet something extra that she longs for. Changing pace and slowing the action can be extremely arousing for a woman. The "teasing" component is one that just doesn't get the attention it deserves. I've talked to hundreds of woman and not one of them ever complained of being kissed too much. The vast majority admitted that they wished their lovers

21723

amazing." When you make sounds of pleasure and give a sincere compliment, particularly if it's out of character, she will feel that she is truly pleasing you. Women do want to gratify their partners and knowing that she's doing just that will give her confidence in her sex skills and make her all the more willing to engage in and even initiate sex in the future. Remember the old saying that "Nothing succeeds like success". It's absolutely true in sex. Women that are confident are more sexually open and responsive. The more you like it, the more we like it, the more we like it, the more we want to do it. Open up and compliment her sensuality, desirability and sexual prowess. Vocalize how good she makes you feel. Hearing you groan in pleasure will

would kiss them more. So, learn to kiss... well. Master that soft, slow lip-lock that just turns a woman's knees to Jell-O and then use it to your advantage. Great kissers are never lonely, I promise.

Pour on the "Aahhs" and compliments

Are you so quiet during sex that your partner can hear crickets chirping in the background? If that's your style, I'm sure that your partner has wondered more than once if you are seriously having a good time. She's left questioning if she is doing something wrong or if you just aren't that into her. If you are typically the strong silent type, how about making a point of surprising her occasionally with an unexpected moan or a "That was

21720

add fuel to the fire, and instantly stoke your sex life up a notch.

Have an "After Sex" plan

I know that great sex is physically exhausting. It makes you tired and in need of emotional and physical escape for a period of time.

Women pretty much expect that you are going to zone out after a sack session. In spite of all my seemingly generous empathy, I also know that when a man rolls over immediately and starts snoring, I occasionally feel a bit miffed. So imagine that if you typically doze off and then one time suddenly snuggle up and smooch and fondle instead, how pleasantly surprised your sex partner will be. Kiss her face and neck and stroke her hair, offer to share a bowl of ice cream or a warm shower. If this is totally out of your normal routine and she knows that you are going out of your way and making an effort to please her, she will feel more appreciated than you can imagine. This type of unexpected pleasure does more to switch up your sex life than all the sex manuals on the shelves at Borders! A man that does something for the sole reason of pleasing his partner will always be rewarded. Even if your reason for doing it had no expectation of reciprocity, it's the most likely outcome. Making a special effort to delight your partner is always a win/win proposition. Look for ways to switch things up without wandering too far from what is working. Women love little surprises, particularly if they make her feel even more desirable. Much of how a woman sees herself and views her sexuality is in your hands; nothing is sexier than a woman who feels sexy. Don't you agree?

Till Next Time...

MARIE

Check out the size of this fake cock! I know this may seem unbelievable but the last guy I fucked had a cock almost this long! I met this really good-looking black dude at a party and it was obvious we had some sparks. As the night wore on, he talked me into heading in to one of the spare bedrooms. We started fooling around and he peeled off my pants and started kneading my ass cheeks with his strong hands. That got my pussy

drooling and I had to suck his cock before we went any further. Try as I may there was no chance of me getting his massive snake down my throat. Of course I tried but only got a fraction of it down. Standing me up and bending me over my lover entered my pussy from behind. Gripping my hanging tits in his hands he slowly started to move his hips building up a consistent rhythm. As the sounds of bodies banging together increased, the bedroom door opened and three dudes stood watching us.

The big cock slammed into me over and over as the group at the door got larger. A piece of me felt like such a whore but I was getting fucked so good that I didn't care. Laying him down I mounted his cock and eased my pussy on to his engorged totem pole. I bucked on him and shook my booty as much as I can until he groaned that he was going pop his nut. I took him in my mouth and sucked all that delicious cream out of his rod. Spurt after sweet spurt filled my mouth as I tried to swallow every last drop. When I opened my eyes I noticed that two guys had unzipped their pants and were pulling on their cocks.

Normally I would have picked up my clothes and split, because I don't think of myself as a slut. But that night was different, looking at all those hard cocks I merely rolled on to my back and asked, "Who's next?"

At least three guys fucked me at the same time, after that I lost count of how many thick and long cocks plunged in and out of my girl holes. They came inside me, in my mouth, in my pussy, all over my ass and belly for the remainder of the night.

All I have are my memories and this giant dildo to take me back to that delirious cock filled party. I may have to pick up two more...★

wet and creeping me out. I made a mistake in my hometown and I don't want to make the same mistake twice. I used to work at one of those huge retailers and well, I used to fuck my boss.

Not many guys would approach me because I was a big girl. Too bad for them, they missed out on some hot pussy and a horny gal who likes to finger fuck her own ass! Gosh I can't believe I just admitted that! Right now my pussy is tingling a little bit and I don't think I can keep my hands out of my panties for much longer.

Do you like my big soft boobs? Not as much as I do I bet! I've even called out of work to stay at home and just rub my little pussy and hard nipples all day. It was days like those that I was really happy about doing the boss. My phone would ring and he'd be on the other end asking me if I needed batteries or some lube for my "cold". Of course he'd bolt on over during his breaks for some sweaty dirty screwing and truck on back to the job before any-

It all began when I answered the door totally naked and dropped to my knees at the doorway to suck him off. Boss man stood frozen stiff as his cock poked in and out of my mouth as I gave him the blowjob of his life. Sloppy with my spit all over his cock I turned around and pointed my butt at his

Tips on How to Play the Non Dating Game The Art of the Hook-Up

I am aware that much of the information and tidbits of advice I offer leans toward relationships and

partnerships. For the most part, I believe (as do noted sexual therapists and counselors, by the way) that true sexual intimacy and satisfaction is a process that occurs over time between partners that know each other on an emotional level and have forged a relationship outside their sexual connection. However intense the sexual aspect of a relationship may be, the primary bond is still one of mutual respect and affection. Unless you have been locked up in a basement cubicle with nothing to watch but reruns of The Waltons, you've no doubt heard the term "hooking

dating customs are exactly straightforward and without pitfalls, by any stretch of the imagination. The upside to the conventional "date" was that we at least had some social norms and history to fall back on. We knew what reasonable expectations to hold onto and what was acceptable within our own peer group. Enter the hook up. I thought if I had a few questions about what this new non-dating process was, you may have a few of your own. I began asking questions and did a little research. Here's what I came up with.

21713

up" somewhere along the way. Lately, that two-word phrase has taken on a life of its own and left old-fashioned dating rituals sputtering in the dust. Although I feel I'm comfortably familiar with the concept and meaning of the phrase 'hooking up', it occurred to me that I really didn't know for sure what rules (if any) applied and exactly how it was supposed to work. Not that conventional

What does Hooking Up Mean, exactly?

Most people (me included) assumed right off that it simply means having quick, no-strings attached sex. But, it really covers any kind of action, from intimate talking and smooching to doing the big nasty. The thing that defines hooking up is that you are making a fast track connection to someone you aren't dating in any conventional way. It doesn't necessarily mean casual sex with a total stranger, but a way of having a bit of lusty fun with someone within your own social circle... like your roommate's cousin that you met at a barbecue, for instance. Typically, meeting someone in a casual setting, feeling a mutual attraction and having a hot quickie in the pool cabana, would peg you as a cad (you really aren't planning to call her again) or her as outrageously promiscuous.

In the current dating climate this is simply a 'hook up'...a casual, mutually enjoyable, no-strings attached

21711

21712

frolic. You don't have an obligation to promise to call (in the era of dating, you would promise to call even though you had no intention of doing so) and she has no expectations of a continuing relationship as a result. The hook up is as bare-bones unattached as it gets. If nothing else, you have to appreciate the stark honesty of it. Neither party has anything to lose or gain by simply admitting, "I'd like to get it on".

Hooking up is sort of like dating, but is as temporary as the parties wish to make it. I suppose you could say that dating is a process but hooking up is the beginning and the end. Hooking up can be an enjoyable way of having some frisky fun with someone you like just for the sake of having frisky fun. There are no rules except for one. Both parties need to be aware that their encounter was exactly that... a hook up.

Is Hooking up just for Kids?

The very nature of casual encounters would have you assuming that it is primarily a way of life for young adults on campus. Not so. According to Jessica Rozler, author of *The Hook-Up Handbook*. Says, Miss Rozler, "with people marrying later than ever, hooking up doesn't have an age limit." Also with the trend in communication advances like text messages and BlackBerrys, the world has

more or less become one big playground. There can be as few or as many potential partners within your social circle as you have the time to scope out, all without you being slapped with the negative title of "player". Sure, there are lots of women (and men, for that matter) that are looking for lasting relationships and potential partners. Wanting that is by no means obsolete. But as our definition of dating seems to be evolving with the times, we are gaining a world of options. Many women now date more than one man and are happily amenable to hooking up as a way to express their own sexuality and maybe meet Mr. Right in the process. Whether you are 23 or 43, casual dating and hooking up have simply become a way of life. A man or woman that finds this type of casual intimacy out of the question, will not only pass up many good times but lose out on meeting interesting and attractive people. There is nothing in the rule books that says a hook up has to end in sexual intercourse, but face it; a coat closet make out session with a deliciously plump casual acquaintance has a definite up side!

Casual or not...hook ups often lead to more

According to The Hook-Up Handbook, surveys showed that often what started out as a no-strings-attached quickie led to dating and committed relationships down the road. If you meet someone and you feel you would like to take it to the next level, you should start by testing the water with a casual comment. Try saying something like, "I had a really nice time with you, maybe we should be brave and have dinner sometime". If her reaction is positive, you may have something going on. If she

says she is busy or evasive, just move on and let it go. Don't attempt to make a hook-up a dating situation unless the other party is as enthusiastic about the prospect as you are. The last thing you want is to come across needy or desperate particularly when the understanding going in was that there were no strings. That having been said, often when people hit it off on a sexual level at the get go, they find out that they have many other aspects of their lives in common. In our society open dating has long been the established way for boy to meet girl and for nature to take its course. I don't think anything will ever totally replace our age-old ritual of flowers and dinner, courtship and seduction. There is no reason to fix what isn't broken. Let's just say that the times and social customs of today dictated that maybe we add a new, more uncomplicated option to the dating mix. Guys have long fantasized about having a no holds barred, no strings attached quickie with a luscious stranger. Now you can, and it's even socially acceptable. I personally feel that anything that allows consenting adults of either sex to openly express their sexuality without judgment or emotional burden is a good thing. Here's to hooking up!

HEAVY HITTERS 3

STARRING Crystal Clear, Solsa, Leola Rose, Tone Rene, Glory Foxxx, John Naniero, Will Ravage, Roni, Jean Paul

DIRECTED BY Rob Spallone

AVAILABLE FROM: Pure Filth Productions

RUNNING TIME: 90 Minutes

Hheavy Hitters 3 is a plumpers paradise, with a curvilicious crew of fuck crazed fatties who double their pleasure with two guys at the same time in order to temporarily placate their insatiable appetites for cock and cum.

First up: gorgeous, gigantic Glory Foxxx (that's three x's, fellas), a big beautiful brunette whose gargantuan thighs and enormous breasts are sure to please the most discriminating fatophile. After bitching to her boyfriend about a conspicuous lack of satisfaction, the remarkably broad-minded beau enlists two big studs to come visit and pump this horny hefty's fuckholes full of the stiff prick she so rightly deserves.

After back-to-back blowjobs, the guys are soon taking turns playing hide the salami with her cunt, mouth and bottom, their dicks also disappearing between her gigantic bazooms. Naturally Glory, after a vigorous round of serial schupting, ends up sweaty and sated, her face shiny with cum.

Next, it's time for the opulently obese Leona

Rose, another gorgeous giantess with magnificent pierced nipples and a beautiful double chin. The guys somehow find her shaved pussy beneath folds of flesh and take turns eating her out while she gives head; after some furious fucking and sucking one guy creams her big tits while she tea bags

his tag team partner with her fat, luscious lips.

Solsa is one of the hottest chubbettes on the X-rated kingsize scene, and the self-assured blonde certainly gets to throw her weight around during an internet assignation: her first, or so she says. She also tells us she likes to suck and get sucked "everywhere" and after a torrid tour of her bountiful body, from the ankles up, she gets down to business with a deuce of studs. An energetic cocksucker, and fun to watch, Solsa obviously loves getting creamed all over her beautiful tits and wonderfully cellulitized bottom.

Last, but assuredly not least, big, bad, black and beautiful Tone Rene is a ton of chocolate fun: with spiderweb tattoos on her bulging stomach, a playboy bunny tattoo on her enormous ass, and stretch marks emphasizing her sheer, beautiful bulk, Tone is a the real deal, a sensuous heavyweight who loves to ball. She's also a big screamer, who wails and yelps as she gets pounded with prick from two hot studs.

ROLY POLY GANG BANG 9

Heat Index: XXXX

STARRING: Hana, Solsa, Glory Foxxx

DIRECTED BY: P.A. Morales

AVAILABLE FROM: Heatwave Entertainment

RUNNING TIME: 90 Minutes

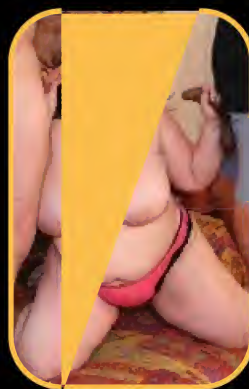

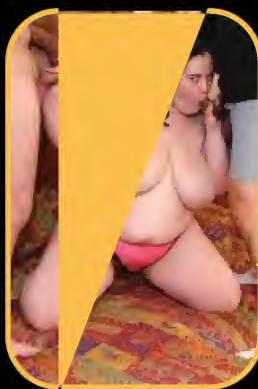

Two's company and three's a gangbang, and wanton group sex with a troika of tasty giantesses is the name of the game in Roly Poly Gang Bang 9.

For fans of zoftig babes getting balled, boffed, crammed and creamed, this DVD is chock full of fleshly fun, starting with Solsa, a bountiful blonde who is making quite a splash on the BBW circuit. Curvaceous and comely, she strokes her giant nipples, practically bursting out of an attractive red bra that clings to her ample flesh like a second skin, then plays with her fat, shaved pud during the introductory interview, then gets it on with a black and white tag team of studs, first taking turns sucking each of their rigid dicks while fiddling with their balls. Yummy! Then they take turns plugging her cunt and mouth while she drapes her giant form over a

couch. A third stud joins the action and after a frenzy of fucking and sucking the guys each get to unload on Solsa's fat lips and giant knockers.

The amazing Glory Foxxx, a big

beautiful brunette, also loves cock and can't get enough of it, and her three guy fuck crew can barely keep up with her humongous

sexual appetite. Clad in a black negligee, Glory's bod is as big as her libido, and after an intense round robin of insertions in various orifices and positions the fellas blow their loads all over her fat and happy face.

Last, but by all means not least is Hana, another gorgeous plumper, blonde and florid, with beautiful smooth skin, big round nipples, a big roll of jiggly belly fat and enormous bottom.

A big tooled black stud pumps her from behind while two other dudes take turns sampling her mouth, or having their weenies pumped by her energetic little hands. She too ends up with her wide kissers smooth and shiny with copious covering of male cream.

Roly Poly Gang Bang delivers the goods when it comes to heavy-duty heifers getting down and dirty. My only real criticism is they could have upped the tonnage with another girl or two; although Hana, Glory and Solsa may be more than enough for the average chub fan, when it comes to kind size females in heat, there's always room for one more! -Dr. Willard Moody

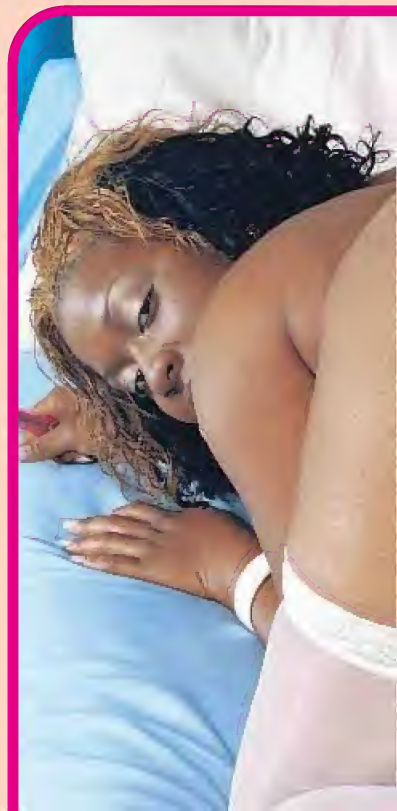

ASIAN

G uys tell me their favorite part of me is my huge cocoa colored boobs, but I love my pussy. I realize I've been selfish with my special slice. There hasn't been an actual real guy between these thighs in way too long. Mind you it's not for lack of offers. So many guys just wish they could unwrap this present and take a taste but I won't let them. Not when I have my always ready and always willing twin vibes of pleasure anxiously waiting to buzz my holiest of holies. You know everything always comes back to simple arithmetic; two is always greater than one. Two boobies, two testes the best things come in pairs, especially when it comes to vibrators and getting my pussy off! Sure I can easily get myself off with my fingers, but why use all that extra energy when I have my twin buzz saws of pleasure positioned on my sweetest hole? I have to thank my girlfriends for turning me on to the incredible sensations of double buzzing pleasure. I was complaining to them that my man at the time didn't know how to get me off and I was getting bored with just zapping my clit with my under-powered sex toys. My girlfriend suggested that I just pick up another stronger vibe. "Use them at the same time?" I asked rather naively as a naughty smile spread across my lips. "That's not what I was thinking but, sure why not?" came the reply. I'll never forget the electric jolt I felt when I put both vibrating cocks against my kitty. This was the shit! From the tips of my toes to the top of my scalp my entire body shook in pleasure and the most unimaginable guttural groans of

delight poured from my trembling lips. My neighbors had to call the police because they thought someone was trying to kill me! When the cops arrived all they found was me mostly naked and my entire place wreaking of pussy and sex. I would have been embarrassed if the cop at my door didn't come back later and fuck the holy hell out of me. From that day on I have never gone back to getting off with only one vibe. After all the more the merrier...🌟
